Code:

```dart
    print('Stock: $_stockQuantity');
  }

  // 5. Method to purchase a product
  bool purchase(int quantity) {
    if (quantity <= 0) {
      print('Please enter a valid quantity.');
      return false;
    }

    if (quantity > _stockQuantity) {
      print('Not enough stock for $name.');
      return false;
    }

    _stockQuantity -= quantity;
    print('Successfully purchased $quantity $name(s).');
    return true;
  }

  // 6. Method to add stock
  void restock(int quantity) {
    if (quantity <= 0) {
```

Run

```dart
  void restock(int quantity) {
    if (quantity <= 0) {
      print('Please enter a valid restock quantity.');
      return;
    }

    _stockQuantity += quantity;
    print('$name restocked by $quantity.');
  }
}

void main() {
  // Create at least two objects
  StoreProduct product1 = StoreProduct(
    name: 'Handmade Mug',
    price: 150.00,
    stockQuantity: 10,
  );

  StoreProduct product2 = StoreProduct(
    name: 'Woven Basket',
    price: 250.00,
    stockQuantity: 5,
```

Run

```
73
74    for (StoreProduct product in products) {
75      product.displayInfo();
76      print('--------------------');
77    }
78
79    // Test purchasing a product
80    print('\n=== PURCHASE TEST ===');
81    product1.purchase(2);
82
83    // Check updated stock
84    print('Remaining stock: ${product1.stockQuantity}');
85
86    // Test restocking
87    print('\n=== RESTOCK TEST ===');
88    product2.restock(3);
89    print('Updated stock: ${product2.stockQuantity}');
90
91    // Test insufficient stock
92    print('\n=== INSUFFICIENT STOCK TEST ===');
93    product2.purchase(20);
94  }
95
```

Run

Output:

```
=== STORE PRODUCT LIST ===
Product: Handmade Mug
Price: ₱150.00
Stock: 10
--------------------
Product: Woven Basket
Price: ₱250.00
Stock: 5
--------------------

=== PURCHASE TEST ===
Successfully purchased 2 Handmade Mug(s).
Remaining stock: 8

=== RESTOCK TEST ===
Woven Basket restocked by 3.
Updated stock: 8

=== INSUFFICIENT STOCK TEST ===
Not enough stock for Woven Basket.
```
